### Day 1 | Monday 08 June 2026

|               |  |   |
|---------------|--|---|
| <b>12:00h</b> | <b>Arrivals and Lunch</b>  |   |
| 12:30h        | Welcome and Introduction: Postcardiotomy cardiogenic shock in adult patients: incidence and current results  | R. Lorusso  |
| 12:45h        | Definition LCOS/PCCS and understanding risk factors in different population groups   | TBC   |
| 13:15h        | Protected Cardiac Surgery: principles, classification, application   | R. Lorusso  |
| 13:45h        | Patient selection and identification   | TBC   |
| 14:15h        | The role of the multidisciplinary team in protected cardiac surgery as well as PCCS management   | T. Delnoij & R. Dudink  |
| <b>14:45h</b> | <b>Coffee break</b>  |   |
|               | <b>Break-out Sessions</b>  |   |
| 15:00h        | <ul style="list-style-type: none"> <li>• Impella 5'5® fundamentals, insertion, tips and tricks (surgeons)</li> <li>• Impella Positioning with Ultrasound - Case Studies &amp; Best Practices (ICU, anesthesiology, perfusion)</li> </ul> | R. Lorusso, A. Haneya, W. Sommer<br>R. Dudink, T. Delnoij, JW. Sels |
| 16:20h        | Complications prevention, reduction and management   | TBC   |
| 16:50h        | Access and device selection strategy in PCCS   | R. Lorusso  |
| 17:15h        | Emergency conditions   | TBC   |
| 17:45h        | Discussion: Recap of learnings & questions   | JW. Sels  |
| <b>18:00h</b> | <b>End of day 1</b>  |   |
| <b>19:00h</b> | <b>Networking Dinner</b>   |   |

# Agenda

---

## Day 2 | Tuesday 09 June 2026

|               |   |                               |
|---------------|---|-------------------------------|
| <b>08:30h</b> | <b>Welcome day 2</b>                        |                               |
| 08:35h        | Basics ICU and Coagulation Management       | S. Ott, T. Delnoy , JW. Sels  |
| 09:05h        | Escalation and de-escalation strategies     | S. Ott, R. Lorusso, E. Natour |
| 09:35h        | Patient mobilization                        | TBC                           |
| 10:05h        | AIC Simulation and ICU troubleshooting      | J&J team and S. Ott           |
| <b>10:45h</b> | <b>Coffee break</b>                         |                               |
| 11:00h        | Advanced MCS & therapy transition           | TBC                           |
| 11:25h        | Quick fire case presentation and discussion | All                           |
| 12:25h        | Closing and take aways messages             | R. Lorusso                    |
| <b>12:40h</b> | <b>Lunch and Departures</b>                 |                               |
